

HOW TO START YOUR BUSINESS

in

Dubai

START

1

Select A Business

There are more than 2,000 business activities available in Dubai

Select A Trade Name

You should follow general trade name guidelines to choose a name.

3

Select A Legal Form

Legal form is a description of what sort of business you are starting up.

2

Apply For Initial Approval

Document which says that the Government has no objection to you starting a business

4

Prepare A Memorandum

Depending on the legal form, you and your business partners may need to draft and sign a MOA.

5

Obtain Activity License

Some business activities require special licensing approvals by different departments

7

Business Location

All businesses in Dubai must have a physical address.

6

Collect Your Business License

You need to submit all the documents to the DED counters. Depending on your business activity, the processing of your business licence ranges from 1 – 7 days.

8

FINISH

Business Dubai

Business formation and consultations
